Caravinsérail is a wine story. The name echoes the caravansary of the desert, a propitious place for travelers to rest, meet and relax in a congenial atmosphere. In partnership with skilled winemakers, Raphaël Trouiller (founder) and Didier Robert (oenologist, manager of the Oenologist Office "ICV" in Beaumes de Venise) produce wines of quality and pleasure from grapes of the South of the Rhone valley and Languedoc terroirs. They range from light and easy wines at a very affordable price, to more elaborate and complex cuvees for special occasions.

## Tasting Notes

A bright pink color and a nose packed with fresh red raspberry notes, the palate confirms the aromas revealed by the creamy nose. Very fruit forward, this wine can be enjoyed with your everyday meals or by itself. Serve chilled.
