Caravinsérail is a wine story. The name echoes the caravansary of the desert, a propitious place for travelers to rest, meet and relax in a congenial atmosphere. In partnership with skilled winemakers, Raphaël Trouiller (founder) and Didier Robert (œnologist, manager of the Œnologist Office "ICV" in Beaumes de Venise) produce wines of quality and pleasure from grapes of the South of the Rhone valley and Languedoc terroirs. They range from light and easy wines at a very affordable price, to more elaborate and complex cuvees for special occasions.

Tasting Notes

This fulfilling wine evokes the warm and fruity flavors of its sunny region. A young wine, packed with fresh notes of blackberry and blueberry wrapped up in intense flavors and soft white and black spices. Round, very fruit forward, this extreme value wine can be enjoyed with your everyday meals or by itself. Serve at 16-18° C or slightly cold (14° C) in the summer.
