Tasting notes

Since 1989, Thierry and Pascal Julien have been farming their 260 acres family estate naturally. It is with the highest respect of mother nature and the least amount of intervention in their cellar that they bring us "C'est Bien Comme Ca", "It's good just like this"; simple, nature's shortest path from the vines to the bottle.

This is very smooth and lively white wine that offers aromas of white flower, yellow apple, peach, and exotic fruits. Great for aperitifs and all your light summer and seafood dishes.
