PHILIPPE TROTIGNON

DOMAINE BEAUSÉJOUR

At the heart of the “King’s Valley,” the Good Life country, an outstanding vineyard unfolds along the banks of the river Cher. Here vigneronns are noble-hearted men; their only truth, to preserve genuineness.

At **Domaine Beauséjour**, four generations of winegrowers built a legacy where the vine and the wine express themselves completely.

Nowadays, **Philippe and Véronique Trotignon** still work with the same pledge to respect tradition, enhanced with a concern for the long-term health of the land.

Nestled on the Cher hillsides, the 25 year old vineyard stretches over 50 acres scattered on the rural districts of Noyers-sur-Cher and Saint-Romain-sur-Cher.

Philippe took over the estate as a whole in 2002, after having worked on it in GAEC with his parents Jean-Paul and Colette for 15 years.
