Elevation: 600-1300 feet

Farming: Biodynamic, natural farming

Aging: 12 months in stainless steel tanks

Bottled: At the winery

Tasting notes

The debut vintage of this ultra-limited-production wine offers soft ruby color and bright aromas of tart cherries, wild mushrooms, and soft spices.

On the palate, it is rich, complex, harmonious, with gorgeous acidity and aromas reflected from the nose. The finish is long, with a broad spectrum of red fruit and spice notes.

This is the Clos Vougeot of Alsace! Must be tasted to be believed. Certified Biodynamic.
