Tasting notes

A glass of beautiful dark crimson emits aromas of bright confit cherry, red berries, and soft dark spices. The palate's lithe, vivacious texture is matched by equally ebullient red fruits, dried rose petal, savory exotic spices, and rainy forest floor. Fine-grained tannins shore up the wine's deeper flavors while pitch-perfect acidity illuminates the more delicate flavors as it gently carries them into a lingering, notably lifted finish.

Grilled pork steaks, mushroom-heavy dishes, and pan-fried trout will all show this wine in its very best light, but it's quite a glass on its own too.
