

FRANCOISE ANTECH

MAISON ANTECH LIMOUX

A custom cuvee between JP Bourgeois and Francoise Antech. Maison Antech-Limoux holds a six-generation family tradition of winemaking. Since the late 19th century,

the family has had a vested interest in the winemaking traditions of the region, and each generation has added their own touch.

Françoise, a member of the sixth generation, inherited her elders' strong character. A guardian of the heritage, she is also a fervent advocate of social and cultural action in her region.

For over five centuries, the family has tamed this magical terroir to make fine sparkling wines. The secret of their character lies in the wise combination of Limoux's three terroirs, which form the

backbone of their cuvées: freshness from the Pyrenees, minerality from the ocean and roundness from the Mediterranean. In the family vineyard, they try out new

methods on their old vinestocks on the appellation's highest land stony, south-facing hillsides nearly 400m above sea level opposite the Pyrenees.
