Tasting notes

Deep purple in color with the aromas of dark fruit and spices on the nose. Cabernet Sauvignon's richness is evident in the array of chocolate, spices, and dark fruit that explodes on the palate. Tempranillo's ripe cherry serves as the juicy, thirst-quenching core. Merlot's graceful texture makes it hard to put down the bottle.

Serve slightly chilled and what could be a better pairing with friends around a table of tapas? Certified organic & vegan.
