

RAW (REALLY AWESOME WINE)

RAW (REALLY AWESOME WINE) ROSÉ, VILLANUEVA DE ALCARDETE

Blend: Secret of the winemaker

Terroir: Located in the village of Villanueva de Alcardete - on the riverbank of Giguela, in the heart of La Mancha.

Elevation: 2400 feet

Farming: Vegan and organic farming

Aging: 5 months in stainless steel tanks

Bottled: At the winery

Tasting notes

Rosé is already an incredibly versatile style of wine, but RAW Rosé upends any remaining limitations on what pink wine can do. By dialing up the intensity and body ever so slightly, RAW's macerated strawberry, tender raspberry, and piquant pink grapefruit can handle:

hefty grilled steaks, pizzas, and even desserts without losing its hibiscus and herbal freshness. Certified organic & vegan.
